PROFIL M

Lead with passion and humor!

I thoroughly enjoy providing interactive group, one-on-one, and online training sessions where I share humor, **effective and efficient working methods**, self-awareness, and experience. I am also proud of designing and producing video training scenarios tailored to companies, receiving **positive feedback on the value** they bring.

My keen enthusiasm for **self-discovery, understanding people**, and delving deeply into events has consistently remained high. **Mastering relationships** has added considerable value in both my personal and professional life, and in every environment where I work as a manager or consultant.
